# COUNCIL COMMISSIONER CORNER

Tim Myers  
Council Commissioner

Fellow Scouters,

Although there are days that feel like spring, we know we still have several weeks of cold weather in Northwest Ohio. While most of us are “stuck” indoors, Unit and Committee leaders should be considering the opportunities to participate in training to deliver on our commitment to the youth we serve. Currently, Council wide we are at 43.8% of our Unit leaders and their Assistants being trained; this is in comparison to the Area 6 which is the western 1/3 of Ohio and all of Indiana which has an average of 67.5% trained.

Contact the commissioners in your district to learn about trainings offered for leaders. Attending the Roundtables in your area is another great way to receive training and other pertinent information. If you find that a training is not being offered in your area, please contact me and/or your commissioner and we will get this information to the training committee.

Congratulations and Thanks! As of January 31, 2016, with everyone working hard to get their charters in on time, we had only a small handful of units that will need to go through a re-chartering process with new paperwork.

I have been able to make some of the fire-side chats and have really enjoyed the time with my fellow leaders. A lot of great ideas have come from Scouters to help improve our districts and council operations. I encourage you to reach out if you have concerns or ideas because the commissioner team is always here for you.

Tim Myers  
Council Commissioner

## Training: IOLS & OWLS

### IOLS: Introduction to Outdoor Leaders Skills (Required for Boy Scout & Venture Leaders)

Working as patrols, this hands-on course provides adult leaders the practical outdoor skills they need to lead Scouts in the out-of-doors. Upon completion, leaders should feel comfortable teaching Scouts the basic skills required to obtain the First Class rank. Along with Scoutmaster Specifics this course is required of all direct contact leaders registered in Boy Scout Troops and Venture Crews in order to be considered “trained”.

### OWLS: Outdoor Webelos Leader Skills (Supplemental Training for Webelos Leaders)

This course is designed to help Webelos leaders enhance the outdoor program for the Webelos Scouts in their den by teaching some basic outdoor skills as well as skills needed to complete many of the Webelos activity badges. This course can be taught as a stand-alone experience but is often presented in conjunction with Introduction to Outdoor Leader Skills (IOLS).

### Do I need IOLS or OWLS Training?

IOLS is REQUIRED TRAINING for all Scoutmasters and Venture Crew Leaders

OWLS is supplemental training for Webelos Leaders.

*Due to recent changes, however, the OWLS Training is very similar to the IOLS Training. By completing this training you will receive credit for both!*

BOWLINE LEGACY SOCIETY

## Erie Shores Council Launches the Bowline Legacy Society

The Erie Shores Council has launched a new legacy society, the *Bowline Legacy Society* which is an opportunity for supporters to leave a legacy and thereby help preserve and promote Scouting forever. With the help of an advisor, you can include language in your will or trust specifying a gift be made to your family, friends or Erie Shores Council, Boy Scouts of America. There are a few key benefits to joining the *Bowline Legacy Society*; you leave a legacy to be remembered, you lessen the burden of taxes on your family, and lastly, you may receive estate tax savings. After considering these benefits and discussing your plans with your family, joining the *Bowline Legacy Society* is easy. Contact Dean Adkins at Erie Shores Council, Boy Scouts of America and

request an enrollment form. Members of the *Bowline Legacy Society* receive updates on planning and legislative changes that may be helpful in making the critical and long-lasting planning decisions that will impact generations of Scouting for many years. Why is the legacy society named after the Bowline knot? The Bowline knot is one of just a few knots taught to all Scouts. The Bowline knot, known as the “rescue” knot is also the knot used for mountaineering when climbing to the next higher ledge and assuring yourself success can never be in doubt. You can always rely on the Bowline knot. Contact: Dean Adkins, *Bowline Legacy Society*, Erie Shores Council, P.O. Box 8728, Toledo, OH 43623, ph: 419-843-0118, fax: 419-241-6769, [Dean.Adkins@scouting.org](mailto:Dean.Adkins@scouting.org)
