Tour Plans

Effective **March 1, 2011**, what are currently known as Local and National Tour Permits will be superseded by what will be called the tour plan. *The online tour permit system will be suspended.

This update is the accumulation of work by a cross-functional team of volunteers and staff including the Health and Safety Support Committee, Council Solutions, Outdoor Program Group, and Risk Management Advisory Panels.

Here is the definition of the tour plan in the Language of Scouting: "Units complete this form when planning for local, national, or international adventure. The plan helps ensure the unit is properly prepared, that qualified and trained leadership is in place, and that the right equipment is available for the adventure."

The plan is available to see and begin training with at this link: http://www.scouting.org/filestore/pdf/680-014_fillable.pdf

What's different?

- 1) The council is the reviewer of all tour plans; there is no regional review required.
- 2) The tour plan consists of a tour planning worksheet to be completed by the unit/contingent. It is retained by the council and a tour plan is returned to the unit after processing.
- 3) There is a 21-day advance notice requested for units to submit their plan for review and approval.
- 5) A single point of contact (not on the tour) for council use is included.
- 6) Defined reasons/times when a tour plan must be submitted for council review:
 - a. Trips of 500 miles or more
 - b. Trips outside of council borders not to a council-owned property

- c. Trips to any national high-adventure base, national Scout jamboree, National Order of the Arrow Conference, or regionally sponsored event
 - d. When conducting the following activities outside of council or district events:
 - Aquatics activities (swimming, boating, floating, scuba, etc.)
 - Climbing and rappelling
 - Orientation flights (process flying plan)
 - Shooting sports
 - Any activities involving motorized vehicles as part of the program (snowmobiles, boating, etc.)
 - e. At a council's request (allows council to add review times based on local needs)
- 7) There is an updated Pledge of Performance.

What is not changed?

- 1) A council can define "local" tour plan review needs in addition to the above.
- 2) The Council still needs to have in place a policy/procedure for tour plans.
- 3) Requirements for qualified supervision, training, insurance, etc., remain unchanged—for example, CPR and Wilderness First Aid requirements for high-adventure camps.

The Annual Health and Medical Record

The Health & Medical Record was released in December 2008, and its use became mandatory on **January 1, 2010**. The latest update to the record consolidates all records from the National Council and the three national high-adventure base forms, enabling a single medical form to be used across all BSA activities. The new form, bin No. 680-001, supersedes the previous, catalog No. 34605; this new item should be phased in immediately as it renders the old forms obsolete.

The Annual Health and Medical Record is required for participation in all Scouting events, including day and resident camps and high-adventure bases. It should be updated no less than annually.

Highlights/changes with the 2011 update:

- The record now lives on an interactive web page on Scouting Safely. Scouts, Scouters,

parents and staff can download, fill in, and print it on standard paper, and can save an electronic copy for their personal files. The link is now live at <http://www.scouting.org/scoutsource/HealthandSafety/ahmr.aspx> and should be substituted for any outdated links you may have hosting the record.

- Parts A and B-the health history and release statement-will be utilized the most.
- Part C is the physical exam.
- Part D is a review piece for participants attending any of the national high-adventure bases.

The record 680-001 supersedes and is the equivalent for meeting day and resident camp standard requirements that for 2011 still reference No. 34605.

2011 God & Country Banquet and Camporee

The sole purpose to the Protestant Committee on Scouting is to promote registered training among our Scouting family and to honor all the Scouts, no matter what program that they are involved in. Venturing, Boy Scouts, Cub Scouts, Posts, Varsity Scouting, that have earned a Protestant Award receive recognition from this group. All proceeds help pay for the Chaplain at Camp Frontier.

The Protestant Committee banquet is scheduled for Friday, **March 4, 2011** at Moline United Methodist Church located at 28010 E. Broadway St. Walbridge, Ohio 43465. The cost is \$15.00 per person and award recipients are invited for free. If you have Scouts or adult leaders that have received their religious award between January 1, 2010 and December 31, 2010, please turn their names in to Karen at the Scout Service Center so they may be recognized.

March 11-13, 2011 at Camp Miakonda is the God & Country Camporee Weekend. This event teaches Scouts that God is all around us and how we treat each other at all times is very important. The Camporee combines Scout events with Religious events to make it fun for all. This also qualifies your Troop to earn the National Camping Award. One of the requirements is to attend a religious retreat. The cost of this event is \$7.00 per person which includes Friday pizza, a patch and program. Contact Nancy at the Scout Service Center to reserve your cabin (419/241-7293).

National Youth Leadership Training

The Erie Shores Council is sponsoring another 21st Century Course called NYLT (National Youth Leadership Training) and it will be held at Camp Miakonda **June 12-17, 2011**.

This NYLT course is set up to represent a month in the life of a typical Scout troop mirroring the troop structure, by assigning incoming participants to patrols. The first few days represent the first three weeks of a troop calendar planning for a big troop event. Participants will use resources of BSA training, conduct interesting meetings that are lively and relevant; and utilize skills to provide a great event that can be used in your troop at your meetings and activities.

The cost of the course is \$210, which includes: course supplies, meals, t-shirts, neckerchiefs, training awards and more. For information go online at www.erieshorescouncil.org and click on the Resources or Training tabs; or contact, Dick Ball, Course Director, at rjball@troop14.org, or Pat Sutherland, Course Scoutmaster, at scoutdad2198@aol.com.
