Saturday includes many activities to help each person complete their passport to earn their event patch: shooting sports, Wildlife & Nature Center, slacklining, woodcarving, learning our camp history, adding to the new time capsule, new centennial gear at the Trading Post, cabin tours, field sports, fishing, hiking, and an evening party/root beer cantina before the late evening campfire program. Fellow Scouters,

It's summer! Time to enjoy the great outdoors by visiting one of our two great Scout Camps. Go see Cub Scouts in action at Camp Miakonda, or visit Pioneer Scout Reservation (PSR) to see what Boy Scouts like to do at camp. Then share your experiences with your neighbors, friends, co-workers and church. Now is the time to share what Scouting can do to help support parents and educators, as these Scouts of all ages grow into our next generation of leaders. As an ambassador for Scouting, you are the catalyst to help promote the Scouting experience and how it benefits the entire family.

As an Explorer or Venturer, your son and/or daughter will be exposed to several adventures, careers and hobbies. They must be 13-20 years of age and have completed the 8th grade. Both programs' purpose is to provide positive experiences to help young people mature and to prepare them to become responsible and caring adults. The result is a program of exciting and meaningful activities that helps youth pursue their special interests, to grow, to develop leadership skills, and to become good citizens.

Venturing crews can specialize in a variety of avocation or hobby interests. Venturing programs are developed around six areas of emphasis: Citizenship, Leadership, Fitness, Social, Outdoor & Service.

Exploring is Learning for Life's career education program and is based on a unique and dynamic relationship between youth and the organizations in their communities. Local community organizations initiate an Explorer post by matching their people and program resources to the interests of young people in the community. The result is a program of activities that helps youth pursue their special interests, grow, and develop.

Youth will have an opportunity to check out careers and hobbies, as well as developing leadership skills while having fun at the same time. Give those parents a peer-to-peer card and invite them to your unit's summer gathering to meet other parents and let their son and/or daughter participate in the Scouting activities. If you lack peer-to-peer cards, see your District Executive. Share the Scouting story with your church. If there is no Scouting at your church or only one Scouting unit, talk to your Minister or Priest to see if your District Executive can schedule a visit to explain how Scouting really works! Be that Scouting ambassador to help spread the word that Scouting is a great opportunity for all!

Council Commissioner

## MUSEUM FUN FACTS

*By Dave Eby, Council Historian*

The largest Cub Pack in the nation in 1955-56 was Toledo Pack 35 at Deveaux School. That year they had 264 registered Cub Scouts, 35 Dens and 53 registered adults. The Cub master was Merle Beaubien. We have a framed poster of them in the museum. If each kid had two parents attend Pack night there would have been 792 people in attendance not including siblings.
