DO I NEED BALOO TRAINING?

According to BSA guidelines...
"At least one adult on a pack or den outdoor activity must have completed Basic Adult Leader Outdoor Orientation (BALOO) to properly understand the importance of program intent, youth protection guidelines, health and safety, site selection, age appropriate activities and sufficient adult participation"

Den Leaders...
This training is required for any Cub Scout den or pack outdoor activity, including pack camping overnighters and Webelos den overnighters. Webelos leaders that completed training prior to August 2017, must retake unless they have also completed Outdoor Webelos Leader Skills (OWLS) training. All participants are required to complete the online requirements before attending this training and to provide proof of completion at check-in on Friday.
