Powderhorn 2018

by E. Malloy

Powderhorn was great because we got to experience multiple different types of activities. We had a chance to try climbing, rappelling, using different types of boats, scuba diving, orienteering, geocaching, shooting sports and more. I learned to try things out of my comfort zone and to try things that I have never done before. It was great training because everything I learned I could take back to my home units. For example, the different activity ideas that the units could do together, the "How to plan a trip" practice, and the experience of other people helping my try new things so that when I went home I had a better idea of how to help others try new things and overcome their fears as well. I would definitely recommend more youth to attend Powderhorn. I would especially recommend Powderhorn to youth that want to learn more about leadership and to become a better leader. Powderhorn was a lot of fun and if I could go through it again I definitely would.
