## SCOUTS BSA UPDATE

### February 1st is almost here!

**February 1st** marks the historic change to the Boy Scouting Program, with the official launch of **Scouts BSA**. Don't forget we will always be the Boy Scouts of America; this is simply a change in the program name for older youth ages 10-18.

So, what does this mean for your Troop? Rest assured that our current Troops will continue to operate how they always have; you do not need to make any changes to what you are doing.

What it does mean is that even more youth in our community will have the opportunity to benefit from Scouting. We have many all-girl Troops ready to launch in the next few months, with a lot of excited young ladies ready to start their adventure.

The values-based leadership program that is offered by the Boy Scouts of America through the Scouts BSA program will now be delivered to more youth and have more adults working with them to prepare them for life. With our programs being available to all youth, Scouting is truly an adventure that families can experience together! They can grow together, both as a family and as individuals.

For more information or where to find a Female Troop near you, check out our website: [www.erieshorescouncil.org/ScoutsBSA](http://www.erieshorescouncil.org/ScoutsBSA)

## 2019 Cub Camping Kick-Off Meeting

# Membership

Happy New Year! Many thanks to all the units for their work this past year for recruiting new youth into Scouting. Now, let's make sure we have a strong program to keep these new Scout families involved and interested in Scouting.

## Arrow of Light (2nd year Webelos) to Scout Transition

To provide a seamless transition, Arrow of Light Scouts (2nd year Webelos) and their parents should visit area troops to see which troop is the best fit for the Scout and family to join.

Troops should contact packs to invite the Arrow of Light Scouts to visit.

Crossovers should be completed by March so Scouts and their parents have time to prepare for summer camp, the highlight of the Scouting year.

## Rechartering

Just a reminder! All January charters are now due to Karen Krieger, Council Registrar, at the Jadel Leadership Center Council office. **Completed Charters are due by Tuesday, January 15.** Remember, completed means all registered leaders are current on YPT (Youth Protection Training), correct signatures are on the cover page of the charter and the registration fees are paid. If you need help, contact your commissioner, District Professional or Karen. **Charters not in and processed by Thursday, January 31 will drop on February 1, 2019, per National guidelines.** Those dropped will need to turn in all new paperwork.

As a reminder to Packs, Arrow of Light Scouts should be rechartered on your Pack Charter. When the Scout joins a Troop, he will fill out a transfer application and there is no registration or transfer fee to pay.

# Construction City

**Construction City** is an Erie Shores Council original event that started over 25 years ago for 4th and 5th grade Webelos and Arrow of Light Scouts. This event focuses on design, building, and teamwork skills.

This highly anticipated Webelos event will take place on **February 2, 2019**, at **Penta Career Center**, located at 9301 Buck Rd, Perrysburg. Cost is **\$15 per Scout**.

For more information and to register go to [www.erieshorescouncil.org/c-city](http://www.erieshorescouncil.org/c-city). For questions, please contact **Alan Lepard** at [alan.lepard@scouting.org](mailto:alan.lepard@scouting.org).

## Widow of Former Camp Miakonda Staffer Leaves Generous Estate Gift to Erie Shores Council

### Emily (Botzenhardt) Ditmer, 1930-2018

**K**enneth Ditmer was a Scout at Camp Miakonda as a youth and then years later, as a volunteer leader, he was photographer at Camp Miakonda for many years. When he passed away in 2014, he left instructions in his will for his wife of 61 years to leave a substantial gift to Erie Shores Council when she passed away. His wife, Emily, followed his instructions and created a gift that will impact Erie Shores Council and will undoubtedly impact future generations of Scouts. Their generosity is a gift to capital improvements at Camp Miakonda and will create a lasting impact for Scouting forever. Their generosity and aforethought is a clear testament to the value of remembering to include specific instructions in your will or trust.

For information on how you can follow the example of Emily Ditmer, contact **Dean Adkins**, Bowline Legacy Society, Erie Shores Council, P.O. Box 8728, Toledo, OH 43623, P: (419) 266-6856, F: (419) 241-6769, [Dean.Adkins@scouting.org](mailto:Dean.Adkins@scouting.org).

## BSA Safety Moment: Hypothermia

**H**ypothermia is an abnormally low body temperature that is dangerous, and potentially fatal if not properly cared for. Hypothermia most often occurs when individuals are exposed to extremely cold temperatures for extended periods of time. However, it can also occur in warmer environments in situations such as wearing wet clothing in windy conditions, becoming chilled from being in the rain for an extended period, or submersion in cold water. Sweating leads to wet clothing, which increases the possibility of becoming chilled.

Dressing in layers that are easy to put on or take off will help you to avoid becoming chilled, or becoming too warm and sweating heavily in your clothes. Planning is essential before a trek or outing to make sure you are prepared for possible changes in environmental conditions.

More information on hypothermia and additional safety moments on a range of topics can be found here: [www.scouting.org/health-and-safety/safety-moments](http://www.scouting.org/health-and-safety/safety-moments)

## Upcoming Training

### Scoutmaster Specific Trainings

The training course titled “**Scoutmaster Specific**” isn’t just for Scoutmasters! Assistant Scoutmasters and others should complete the class too. Leaders experience more confidence and cheerfulness once trained, and that yields a higher quality program for youth. Four sessions are available:

- **March 12** at Christ United Methodist Church, Portage

The overnight course includes outdoor practical classroom experiences and helps orient leaders to more of our camp’s opportunities. BALOO will be held at Camp Miakonda on **March 1-2**. Preregister at [www.erieshorescouncil.org/baloo](http://www.erieshorescouncil.org/baloo).

### Wilderness First Aid Training

The **Wilderness First Aid Training** is designed for youth and adult leaders preparing for high adventure treks, and those who are looking for a new challenge. The 16-hour course is accredited through ECSI and meets the BSA standards for WFA training. Several local medical professionals instruct and host the multiple outdoor scenarios. Our next 24-student class will be **March 9-10** at Jadel Leadership Center, Camp Miakonda. Preregister at [www.erieshorescouncil.org/WFA](http://www.erieshorescouncil.org/WFA).

## MUSEUM FUN FACT

By Dave Eby, Council Historian

## Toledo Sea Scouts

Sea Scouts, which was founded in 1912 nationally for older Boy Scouts, was created in our Council in 1918 at our summer encampment in the Irish Hills. Sea Scouts was a huge program in our Council for many years with dozens of units. The one-time giant ship on Lake Sawyer was built for Sea Scouts. We also had our own Sea Scout Base along the river with dockage by Walbridge Park.

One of the greatest Sea Scout units (called “Ships”) in the country was Toledo’s “SSS Albatross”. They invented a one Scout sailboat that was adopted by the National BSA as the standard design for all Sea Scouts.

Check out the displays from the SSS Albatross in the Jadel Leadership Center Museum.
