Camp Miakonda Statement of Purpose

The Cub Scouting program has 10 purposes related to the overall mission of the Boy Scouts of America – to build character, learn citizenship, and develop personal fitness:

- | | |
|---|---|
|  Character Development |  Respectful Relationships |
|  Spiritual Growth |  Personal Achievement |
|  Good Citizenship |  Friendly Service |
|  Sportsmanship and Fitness |  Fun and Adventure |
|  Family Understanding |  Preparation for Boy Scouts |

Every Cub Scouting activity should help fulfill one of these purposes. When considering a new activity, ask which purpose or purposes it supports. Not everything in Cub Scouting has to be serious – far from it! Silly songs, energetic games, and yummy snacks all have their place in the program.

- | | |
|---|--|
|  Living the Ideals |  Participating in Activities |
|  Belonging to a Den |  Serving Home and Neighborhood |
|  Advancement |  Wearing the Uniform |
|  Involving Family and Home | |

The Purpose of Our Camp

To provide resources, fun, and new learning experiences for families and the Pack that will make it better able to plan and conduct its own year-round program.

Our Principal Mission as a Camp Staff

To have a profoundly positive impact that fosters improvement in every Scout through a quality program of adventure.

All events, programs, and policies in this Leaders Guide work hand in hand to develop a safe outdoor laboratory for the youth we serve.

General Information

This guide is general information compiled by the directors, staff advisors, and volunteers of the Erie Shores Council. It is designed to explain how Camp Miakonda Cub Scout Summer Camps events work within the Cub Scout program and how to register.

Thank you for your support and dedication to Erie Shores Cub Scouting program. We know from experience how much the Cub Scouts enjoy day camp and appreciate your involvement.

Day camp is held at historic Camp Miakonda, located at 5600 W. Sylvania Ave., Toledo, OH 43623.

Introduction

The Erie Shores Council operates a Cub Scout Day Camp, Tigers Overnight, and Webelos Overnight at Camp Miakonda each summer. Why should your Scouts and parents participate in these adventures? Benefits include:

- ✿ Counts as an activity towards earning the National Summertime Pack Award for your Cub Scout Pack and dens.
- ✿ Fulfills portions of the outdoor experience requirements of the Journey of Excellence award for your pack, which in turns helps your district and council with the same.
- ✿ Most importantly, day camp provides an opportunity to put the OUTING in Scouting and contributes to our job of keeping the promise to the families who join Cub Scout Packs along with supporting the elective adventure requirements for all ranks.

This guide has been designed to help you as you prepare for Camp Miakonda Cub Scout Day Camp and Webelos Overnight. Please take a few moments and become familiar with the Camp Miakonda Summer Camps Guide. By reviewing the contents of this guide, you will become familiar with the policies and procedures. The creation of this document is with the intent of providing you, the volunteer, with enough information to have a high quality and safe camp experience for you and your Cub Scouts.

Continuation for this year!

Pre-camp Leader/Parent Meeting

A pre-camp meeting will be held on the Wednesday prior to your day camp session at the Jadel Leadership Center from 7:00-8:00 p.m. At this meeting, information will be available to Cub Scout leaders and parents on procedures for check-in, along with providing an opportunity for questions to be answered. BSA Annual Health and Medical Records, Parts A and B, can be turned in at this meeting to reduce your wait at check-in. The schedule is as follows:

- ✿ June 12 in preparation for Day Camp Session 1 (June 17-21)
- ✿ June 19 in preparation for Day Camp Session 2 (June 24-28)
- ✿ June 26 in preparation for Tiger Overnighter (June 29 to June 30)
- ✿ July 3 in preparation for Webelos Overnighter (July 6-7) **AND** Day Camp Session 3 (July 8-12)
- ✿ July 10 in preparation for Day Camp Session 4 (July 15-20)

Webelos Overnight

One session of Webelos Overnight will be offered this summer:

July 6-7

Webelos overnight will be offered to those scouts who are completing third grade in the 2018-2019 school year.

Drone Policy

Camp Miakonda does not allow the use of drones in camp due to the proximity of Flower Hospital to the camp.

Cub Scout Day Camp

Who May Attend Cub Scout Day Camp

Registered Cub Scouts, Cub Scout aged youth(6-10yrs), and a parent, guardian or other responsible older sibling (approved by the Camp Director) may attend. Youth are encouraged to be accompanied by a responsible adult who will remain with them throughout the day camp experience.

Packs are asked to provide at least one adult for every four registered Cub Scouts or part thereof in order to meet Youth Protection guidelines. These adults can help for the entire week or trade off on a day-to-day basis, as long as each day is fully covered. This insures adequate adult supervision for the dens and aids the camp director in providing a great day camp experience for the Cub Scouts. Volunteers who contribute their time for the full week will receive a unique Camp Miakonda Cub Day Camp t-shirt, patch, and their lunch each day.

If your pack is sending Tigers (boys who have completed Kindergarten during the 2018-2019 school year) to day camp, each must be accompanied by an adult partner as the Tiger program is based on a Tiger-Adult Partner team. ***An Adult Partner must be 18 years of age and can be a parent, older sibling, relative or family friend.***

What Is Cub Scout Day Camp?

Cub Scout Day Camp is organized by the council and is a five-day outdoor experience for Tiger Cub, Wolf Cub, Bear Cubs, Webelos, and Arrow of Light Scouts. It is conducted under certified leadership at an approved site and during daylight hours. Day camps do not include any overnight activities. Certification of the day camp director and program director is provided through the National Camping School. Den and pack leaders often make up the nucleus of the day camp staff. You are invited to be part of the staff!

Day Camp helps your pack by:

-  Promoting year-round Cub Scout program
-  Providing opportunity to complete elective Adventure requirements at every rank
-  Encouraging Cub Scouts to benefit and grow with a good outdoor experience

The daily program centers on Tiger, Cub Scout and Webelos elective adventure requirements as they relate to the outdoor program. Your Cub Scouts will work on activities that are challenging and age appropriate. There are a wide range of activities which will include:

- | | |
|---|---|
|  Shooting Sports (BB Guns and Archery) |  Nature and Science |
|  Sports and Games |  Crafts |
|  Scout Skills |  Skits and Songs |
| |  Lunchtime program |

How to Register

All registered Tiger, Wolf, Bear, Webelos, and Arrow of Light Cub Scouts in your Cub Scout Pack are eligible to attend day camp. Day camp uses the same ranks to identify age groups as your pack.

-  Wolves have completed the first grade during the 2017-2018 school year
-  Bears have completed second grade during the 2017-2018 school year
-  Webelos have completed third grade during the 2017-2018 school year
-  Arrow of Light Scouts have completed fourth grade during the 2017-2018 school year

Registrations should be made by your Pack Camping Coordinator, but can be made individually by family. Each pack should have a designated Camping Coordinator to handle all camp related questions within your pack and online registrations. Packs that have a Camping Coordinator have more youth attend day camp. All day camp registrations will be processed online via the registration portal at www.erieshorescouncil.org/cdc If your pack does not have a Camping Coordinator, parents may register individually.

All leaders must have Youth Protection training certification within the last 24 months of being in camp. It is good to use this course as a refresher even if currently trained.

- ✿ No One-On-One Contact- This should not occur between a youth member and an adult; all counseling should be done in plain sight and with the knowledge of at least one additional adult.
- ✿ Child Abuse Recognition- Leaders are encouraged to refer to the BSA website for information on protecting Scouts by being aware of common signs of child abuse.
<http://www.Scouting.org/HealthandSafety/GSS/gss01.aspx>
- ✿ Reporting at Camp- anyone noticing anything that is questionable, should report it immediately to the Camp Director.
- ✿ Hazing- Initiation or hazing in any form is not permitted.
- ✿ Showers- At the pool we have separate shower facilities for youth (under 18) and adults (over 18); if an adult must enter the youth shower due to an emergency, try to do so with another adult.
- ✿ Sleeping Arrangement- No youth will stay in the tent of an adult other than his parent or guardian. It is recommended that youth, if 3 or more years difference in age, not share a tent.
- ✿ Digital Imaging- Devices with the ability to do digital imaging are NOT allowed in shower houses, pool showers, restrooms, etc. Any equipment in these areas will be confiscated.

Camp Miakonda History

Camp Miakonda is Ohio's oldest and the sixth oldest Boy Scout camp in America. Miakonda means "crescent moon" and was purchased and built in 1917. It originally consisted of 78 acres and today contains 160 acres. Miakonda has a rich history of Scouting, and at one time had the world's longest swimming pool, tree house campsites, and a flagpole from a Great Lakes Freighter. Today it is home to numerous Cub Scout and Boy Scout Camping Events, including Cub Family Camp, Cub Day Camp, Dad & Lad, Mom & Me, Winter Weekend, and special events. Visit the camp Museum and Council Lodge to learn more about Camp Miakonda. Erie Shores Council owns and operates two Scout camps, Camp Miakonda at the DeVilbiss Scout Reservation and Camp Frontier at the Pioneer Scout Reservation.

Campfire Skits

In the tradition of Lord Robert Baden-Powell, we host a participatory campfire, and an opportunity for Cub Scouts to learn life-long presentation skills while having fun singing songs and performing skits.

Parking

Due to the number of attendees at the Cub Day Camp, attendees are requested to carpool as much as possible. Camp Miakonda is walk-in camp, no cars will be allowed in camp while Scouts are on property.

Emergencies

The Camp Office is located in Memorial Cabin (located on the Parade field, at the opposite end from the flags), and is the center of communications for emergencies. It is staffed at all times during the event. Key camp officials carry Camp Miakonda radios and are in radio contact with the camp office. To Notify the Camp Office of an emergency, send a runner to the Camp Office, the Ford Center, or notify a camp official that is carrying a Camp Miakonda radio.

When calling 911 for an emergency, it is important that an adult clearly describe the nature of the emergency to the 911 operator to initiate an appropriate response. The Camp Office must be notified of the emergency to open the locked vehicle gate on Sylvania Avenue for the emergency vehicles to enter. Additionally, the 911 operator will call back to the Camp Office verify the nature of the emergency. The Camp Office can be notified by sending a runner to the Camp Office, to the Ford Center, or by contacting a Camp Official that is carrying a Camp Miakonda radio.

The Camp Office monitors the National Weather Service Radio and Internet weather sources for information concerning severe weather conditions.

Leave No Trace

Please review with your Pack the Leave No Trace Front Country Guidelines prior to day camp. For more detailed information, please visit www.lnt.org/teach/outdoor-ethics-frontcountry

Plan Ahead.

Watch for hazards and follow all the rules of the park or outdoor facility. Remember proper clothing, sunscreen, hats, first aid kits, and plenty of drinking water. Use the buddy system. Make sure you carry your family's name, phone number, and address.

Stick to Trails.

Stay on marked trails whenever possible. Short-cutting trails causes the soil to wear away or to be packed, which eventually kills trees and other vegetation. Trampled wildflowers and vegetation take years to recover. Stick to trails!

Leave What You Find.

When visiting any outdoor area, try to leave it the same as you find it. The less impact we each make, the longer we will enjoy what we have. Even picking flowers denies others the opportunity to see them and reduces seeds, which means fewer plants next year.

Use established restrooms. Graffiti and vandalism have no place anywhere, and they spoil the experience for others. Leave your mark by doing an approved conservation project.

Respect Other Visitors.

Expect to meet other visitors. Be courteous and make room for others. Control your speed when biking or running. Pass with care and let others know before you pass. Avoid disturbing others by making noise or playing loud music. Respect "No Trespassing" signs. If property boundaries are unclear, do not enter the area.

Trash Your Trash.

Make sure all trash is put in a bag or trash receptacle. Trash is unsightly and ruins everyone's outdoor experience. Your trash can kill wildlife. Even materials, such as orange peels, apple cores and food scraps, take years to break down and may attract unwanted pests that could become a problem.
