ERIE SHORES COUNCIL #460

BOY SCOUTS OF AMERICA®

*Celebrating 50 Years  
of Camp Frontier!*

As the sun broke through the fog and clouds on Saturday, October 6, 2018, the **Camp Frontier 50th Anniversary Council-Wide Camporall** began; kicking off an incredible weekend of Scouting fun!

Over 1,500 Cub Scouts, Boy Scouts, Venturers, Scouters and visitors participated in various events throughout the camp, viewed many Scouting displays, quenched their thirst at the Root Beer Cantina and watched a fireworks show at the end of the day.

Our many thanks go out to **Camporall Chairman, Dan Anderson**, the **Camping Committee** and the **Staff at Camp Frontier** for all their hard work that went into this event. Finally, a BIG thank you to all the Scouts and Scouters that came out and shared their love of our camp and Scouting with all of us!

## Recharter Time!

Important news for all unit leaders-it's recharter time! To ensure your unit is prepared for the fun, life changing experiences that will happen in 2019, the first step is the Rechartering process. By the time you read this letter your unit should have its recharter packet.

The online Charter renewal process will be available **November 1, 2018**. Nearly all the Packs, Troops, Crews and Posts in Erie Shores Council recharter in the month of January. All January charters must be completed and turned into Council Registrar, Karen Krieger, by **January 15, 2019**. Units whose charter is not completed by January 31, 2019 will be dropped.

Recharter fees can be paid online with a credit card. A small processing fee will apply.

## Youth Protection Training

Youth protection training is required for all adults. You will get an error message if training is not current and the unit will not be allowed to process its charter with those adults. Registered adults will receive notification that their YPT is expired or about to expire before charter renewal.

## Journey to Excellence (JTE)

In addition to Rechartering comes our annual self-evaluation, the Journey to Excellence (JTE).

This program allows units to assess how they are doing compared to how high performing units operate. JTE is a time to look back on how we served our Scouts in the previous twelve months and see where we can improve.

## News from Camp Miakonda

The Green Team helps complete tasks such as mowing, trimming trees, burning brush, and more. More info at [www.erieshorescouncil.org/Miakonda](http://www.erieshorescouncil.org/Miakonda).

The 2018 scorecards are due in to Karen Krieger's office by **December 15, 2018**. The 2019 score cards are available now. Make sure your unit is using this valuable tool.

Part of the JTE score is recorded service hours. PLEASE remember to log your unit's hours on the service hours website or through Scoutbook. If you use Scoutbook please check the my.scouting web site to make sure that they have been logged. We have heard that there have been issues logging services hours through Scoutbook. At least one service project must benefit your charter organization.

## Building Membership Through Camping Memories

The leaves are changing colors, the mornings are cooler, and the Fall Camping Season is upon us. This time of year, triggers a great deal of memories of fall campouts as a Scout.

There was a camporee at Oak Openings. We pitched our tents and embarked on a brisk 5-mile hike before returning to our campsite. I recall meeting up with friends from other troops and creating lasting friendships and memories.

There were multiple weekends at Camp Miakonda, which geographically was a mile from where I grew up. But to an 11-year-old boy, it was an enchanting place, unlike anything else in Sylvania. There were adventures all around. And, if a snow fell, the parade field turned into a giant sledding field.

One year we traveled up to Waterloo in the Irish Hills. Such beautiful surroundings provided us with opportunities to hike and canoe. Late at night, we heard a loud warning siren and were convinced that someone had escaped from Jackson State Prison.

Although the threat was never realized, we were nonetheless prepared to overwhelm the escapee!

There was JL (Junior Leaders) Camp at Pioneer. Two of us from Troop 263 joined several other scouts for advanced training. This was in the early days (1969-1970) and, unlike Miakonda, Pioneer was still open fields, woods without trails and several ponds. It seemed to be overrun by bull frogs.

Life is about experiences. Without Scouting, there's no telling what I would have otherwise done on those crisp, Fall weekends. I owe a certain amount of gratitude to Scouting for allowing me to experience them. Memories like these are important to keep us motivated in recruiting Scouts and parents.

So, pay it forward. Share your story. Someone out there is waiting to hear it.

Mike Bruno  
Membership Chair, Northwest District

## University of Toledo Scholarship for Boy Scouts

Ted was an Eagle Scout and Scoutmaster in Troop 37 and Paul's sons were involved in Scouting. The new scholarship will benefit Erie Shores Council Boy Scouts/Eagle Scouts who have financial needs and plan to attend UT.

The Swartzberg Family has offered to match up to \$25,000 in gifts made to the fund in the 2019 calendar year. Please note the scholarship name on your check.

## BSA Safety Moment: Energy Drinks

**Y**ou've seen the advertisements for these products and have probably seen youth drinking them, but just what are they, and are they safe? And do they have a place in Scouting or not?

The consumption of energy drinks can disturb the heart's natural rhythm and raise blood pressure, increasing the risk of sudden death. Energy drinks have also been linked to seizures, behavioral disorders, and obesity in young people. High doses of caffeine, combined with the other additives contained in energy drinks, are especially a concern for children with underlying health issues or those taking certain medications.

Energy drinks and sports drinks are different products. Sports drinks, a combination of carbohydrates, minerals, and electrolytes, can be safely used in limited amounts by youth for hydration following vigorous sporting activities. Energy drinks, which are unregulated by the USDA, contain stimulants such as caffeine and other additives—including taurine and guarana, an alternative form of caffeine—that may increase caffeine's potency. Because the energy drinks are unregulated, the specific amounts of these additives are unknown, but a 24-ounce energy drink may contain as much as 500 milligrams of caffeine (equivalent to four or five cups of coffee), according to the National Institutes of Health.

Because of these potential health risks, energy drinks are to be discouraged at all Scouting events.

Additional safety moments on a range of topics can be found here: [www.scouting.org/health-and-safety/safety-moments](http://www.scouting.org/health-and-safety/safety-moments)

## ESC dAC Makes National News

It's not every day that efforts of one of our council committees get national attention. The *"ABILITIES DIGEST"* is the newsletter of the BSA's National Disabilities Awareness Committee. The Fall 2018 edition included an article under the Enhancing Awareness section titled *"Counting the Scouts with Disabilities in your Council"*. In the article, the Erie Shores Council was cited as one of the only two councils in the country conducting a disAbilities Membership Survey. Our survey objectives, response rate and 2018 results were included. As you may be aware, our survey has been conducted along with rechartering since 2015. Many thanks to all units that have participated. Our next survey is scheduled for the 2020 recharter season. The survey form that we use here has been recommended (with minor additions) for all councils to use. Congratulations to the Erie Shores Council's disAbilities Awareness Committee for being national pacesetters!

## MUSEUM FUN FACT

*By Dave Eby, Council Historian*

In the 1940's and 1950's our council had a high adventure program that was second to none. We had numerous high adventure trips to Canada, Yellowstone and Philmont. For three consecutive years from 1948 to 1950 we sent more Scouts to Philmont than any other council in America; including councils in Chicago and New York City to name a few. Our Philmont Chairman from 1946-1957 spent each summer there to specifically serve and assist all the Toledo area contingents as they arrived.
