## Advance Planning for a Successful Fall Scouting Program

Unit committees, before you break for summer, take steps now to help your unit have a successful fall program:

- Leadership Analysis** – Recruit parents now to fill vacant positions and get them trained.
- Lions Leaders** – Recruit an experienced leader to guide the parents as they take turns being the leader for the den.
- Tiger Leaders** – See if an existing leader is willing to be the Tiger leader or to be a mentor to the new one.
- Build your unit calendar and budget** – Create a one-page calendar handout with dates and activities to distribute to new parents and Scouts at the Join Scouting Night.
- Erie Shores Council Join Scouting Night – Thursday, September 12** is a one-night marketing/recruitment blitz for new Scouts. See your District Professional or Commissioner for details.
- Resources** – For more information go to [ErieShoresCouncil.org/new](http://ErieShoresCouncil.org/new).

Now go and enjoy your summer knowing your unit is ready to go this fall.

## Thank You, Toledo Rotary Club Foundation!

Thank you, Toledo Rotary Club Foundation, for helping us to support over 1,000 youth in our Scoutreach programs delivered in an after-school setting and at lunch time. Through your donation, these young people will have the opportunity to increase their self-confidence and outdoor adventure. These value-based skills will help them to become leaders in our community for the future and perhaps future Rotarians! Thank you for making a developmental difference for our youth.

VACANT

Fellow Scouters:

We all know spring is finally here and summer is just around the corner! How are you doing in planning your unit's activities for the summer? Many Packs, Troops and Crews are planning to go to summer camp or do high adventure programs.

Is your Cub Scout unit doing a summer activity like fishing, bike rides, overnight camps, Mud Hens game or trip to a museum? Cubs can participate in day camp at Camp Miakonda or White Star Cub Day Camp (Eagle Bay). Are you signed up?

Whether you are an active unit that needs little to no help or a unit that needs assistance, the commissioner staff is there to help you. On the border of the Scouting News, you can locate your District Commissioners contact information. Please keep your Unit/District Commissioner informed as you plan your summer activities so they can act as a resource to provide additional information and guidance as needed. Invite him/her to come visit your unit during any summer activity; Commissioners are always willing to lend a hand. Keeping Scouts active in the summer helps keep your unit's membership healthy.

Please take advantage of these wonderful summer time activities! I highly recommend them all. I look forward to seeing you this summer and remember please do not be a stranger. If you have any questions or concerns, I will be happy to help.

Yours in Scouting,

Tim Myers  
Council Commissioner

## James E. West Fellowship Packets Available

A gift to a local council, designated by the donor to the Erie Shores Council Permanent Endowment, qualifies for membership as a James E. West fellow. The gift must be in addition to—and not replace or diminish—the donor's annual Friends of Scouting support. A minimum gift of \$1000 in cash or marketable securities qualifies for the Bronze level membership. Donors may make cumulative gifts to reach Silver, Gold, and Diamond member levels. For example, 5 years of giving at the Bronze level would qualify for Silver level membership. Many individuals and corporations make these gifts either on behalf of someone else—such as in honor of an Eagle Scout, Silver Beaver recipient, a retirement, a special accomplishment, or anniversary—or in memory of a special individual.

To receive an information packet on the James E. West Fellowship of if you have any questions, please feel free to contact: **Dean Adkins**, CFRE, Director of Development, Erie Shores Council, P.O. Box 8728, Toledo, OH 43623, **419-266-6856**, [Dean.Adkins@scouting.org](mailto:Dean.Adkins@scouting.org)

## BSA Safety Moment: Campout Safety Checklist

Camping is a long-honored tradition for many families, including the BSA family. Timing, supplies, and location should be determined ahead of time so you can make the most of your camping experience. A campout safety checklist will help to ensure you enjoy the adventure, fun, discovery, and teamwork involved while keeping you safe. Here are a few items to check off on your Campout Safety Checklist:

- **Documentation Needed** – This includes medical records, guidebooks, and permission slips.
- **Training** – Training gives you the confidence to know what to do in the event of an emergency.
- **Planning** – Planning is important.
- **Equipment** – Plan for vehicles involved or tools necessary for your camping experience.
- **Emergency Planning** – A prepared Scout is a confident Scout.
- **Program** – Know your program.

For more information about the Campout Safety Checklist and other BSA Safety Moments, please go to [www.scouting.org/health-and-safety/safety-moments](http://www.scouting.org/health-and-safety/safety-moments)

## MUSEUM FUN FACT

By Dave Eby, Council Historian

Council President  
 William Booker

## 100 Years Ago...

In 1919, the Council suffered a financial emergency and could not pay the annual \$1,000 mortgage payment on Camp Miakonda. They were in danger of losing the camp when Board member William Booker went out into the community and raised \$15,000 from 50 donors. His effort paid off the entire mortgage on the original 1917 land purchase of 78 acres, saving it from foreclosure. Several thousand dollars were left over for camp development. The successful fundraising was reported in the March 1920 issue of Boys Life Magazine. Mr. Booker later served as Council President and the Booker Cabin was named after him.
