Why Be a Trained Leader...

I recently attended a local training event where the importance of being a trained leader was discussed. One of the training team told us of a discussion she had with her youngest son recently...

This leader was having a particularly rough week and her son asked what was wrong. She responded that she was becoming frustrated with leaders complaining their time was limited and they did not have the time to attend all the required training. Her son responded, "Why Mom...am I not worth the time?"

This is why you should be a trained leader. Make your scouts feel that they are worth it!

U of S 2019 Results

Another Fun & informative day was had by all at University of Scouting 2019. We had (59) Adult Students, (33) Instructors/Students & (27) Youth for a total attendance of (119)! Don't miss out on U of S 2020. Mark your calendars now for Nov. 7, 2020.

The new location (Penta Career Center) was awesome and very welcoming. Next year we are planning on having even more fun by offering the same core classes with even more new classes, and maybe some that have not been offered in awhile.

Planning for 2020 will begin soon and we are looking for a new President for Todd to mentor. If you would like to join the team, send an email to training@erishores.org and we will put you on the list.

Hazard Weather Training

Just a reminder that to be considered trained in your position, all direct contact leaders (Cubmasters, Den Leaders, Scoutmasters & Crew Advisors) you must complete this online (only offered online) training.
