Dear Miakonda Day Camp Families & Friends,

I am extremely excited and honored to introduce myself as the Cub Day Camp Director for Camp Miakonda. Many of you might know that I was the Program Director here for the past two summers, but you may not know that my brother was an Eagle Scout. Furthermore, I am a Scoutmaster of a female troop established in 2019; my son is a Webelos Scout; my father volunteers countless hours here and at PSR, and my youngest (now 4yo) will tell you camp is her favorite place. This is not just another job for me – it is an honor to work at a place I love, and for a program, I believe in. I look forward to, and I am committed to making the Camp Miakonda Day Camp Experience the very best it can be for our campers, staff members, & families.

At Cub Day Camp, we focus heavily on providing campers with age-appropriate, character building, fun, and enriching programs that include activities in games, handicrafts, fishing, shooting sports, and more. By emphasizing staff leadership development each year, we see an even greater positive role-model impact on our staff and camper relationships, further enhancing the development of valuable life skills in our campers. Also, by placing a greater emphasis on programming variety and development, we provide our campers the opportunity to expand their horizons, challenge themselves, and work on advancement.

For those of you who have sent your child to day camp before, you will be familiar with much of this information. So this guide will serve as a good review. Whether you are new to Day Camp or a camp veteran, it is important to read the entire guide as it contains new information and answers to many of your questions and concerns.

Thank you so much for your trust in us, and I look forward to meeting you all at our pre-camp meetings or at camp itself. Should you have any questions, please contact me.

Camp Miakonda General Policies and Information

The Purpose of Our Camp
To provide resources, fun, and new learning experiences for families and packs that will make it better able to plan and conduct its own year-round program.

Our Principal Mission as a Camp Staff
To have a profoundly positive impact that fosters improvement in every Scout through a quality program of adventure.

All events, programs, and policies in this Leaders Guide work hand in hand to develop a safe outdoor classroom for the youth we serve.

Camp Miakonda History
Camp Miakonda is Ohio’s oldest and the sixth oldest Boy Scout camp in America. Miakonda means “crescent moon” and was purchased and built in 1917. It originally consisted of 78 acres and today contains 160 acres. Miakonda has a rich history of Scouting, and at one time, had the world’s longest swimming pool, tree house campsites, and a flagpole from a Great Lakes Freighter. Today it is home to numerous Cub Scout and Scouts BSA camping events, including Cub Family Camp, Cub Day Camp, Parent & Pal, Winter Weekends, and special events. Visit the Camp Museums and Council Lodge to learn more about Camp Miakonda. Erie Shores Council owns and operates two Scout camps, Camp Miakonda at the DeVilbiss Scout Reservation and Camp Frontier at the Pioneer Scout Reservation.

Introduction
The Erie Shores Council operates a Cub Scout Day Camp, Tiger Overnight, and Webelos Overnight at Camp Miakonda each summer.

Why should your Scouts and parents participate in these adventures? Benefits include:

- Counts as an activity towards earning the National Summertime Pack Award for your Cub Scout Pack and dens.
- Fulfills portions of the outdoor experience requirements for the Journey to Excellence award for your pack, which in turn helps your district and council with the same.
- Most importantly, day camp provides an opportunity to put the OUTING in Scouting and contributes to our job of keeping the promise to the families who join Cub Scout Packs, along with supporting the elective adventure requirements for all ranks.

This guide has been designed to help you as you prepare for Camp Miakonda Cub Scout Day Camp and Tiger and Webelos Overnights. Please take a few moments and become familiar with the Camp Miakonda Summer Camps Guide. By reviewing the contents of this guide, you will become familiar with the policies and procedures. The creation of this document is with the intent of providing you, the volunteer, with enough information to have a high quality and safe camp experience for you and your Cub Scouts.
**Drone Policy**
Camp Miakonda does not allow the use of drones in camp due to the proximity of Flower Hospital to the camp.

**No Pets**
No pets are permitted on the property at any time. This includes picking up/dropping off Scouts. Please remind your parents to leave their pets at home.

**Smoking and Vaping Policy**
The Boy Scouts of America strongly discourages smoking on all camp properties. Smoking, VAPING, and the use of smokeless tobacco are not permitted by anyone under the age of 18. For adults who choose to use any of the products listed above, we request that you do not use these products in front of Scouts and do so in the parking lot.

**Visitors**
Everyone (Scouts, Leaders, staff, and visitors) who enter or leave camp during the week MUST check-in and out of camp at Memorial Cabin (Camp Office).

**Check-In and Check Out**
Campers must be signed in by an adult each morning and signed out each afternoon by the person (indicated at morning check-in) who will be picking them up.
Cub Scout Day Camp

What is Day Camp?
Cub Scout Day Camp is a 5-day outdoor experience under the supervision of specially trained volunteers and staff. The Camp Director and the Camp Program Director have attended the BSA National Camping School and have completed certification standards set forth by the BSA National office. Additionally, the BB gun and Archery range officers receive Shooting Sports training and certification.

Erie Shores Council takes pride in assuring that our Day Camp meets the requirements for national accreditation. The National Standards are established to ensure the health and safety of every camper, leader, staff, and visitor while at camp and to ensure that every Cub Scout will have a high quality, fun-filled, Day Camp experience. Besides the FUN each Scout will have, they will learn skills that will help them throughout their Scouting career and beyond. They will meet other Cub Scouts and Leaders from around the council, and as with any Scouting program, it will help to instill in them the values and character they will need to become the kind of individuals we strive for them to be.

Day Camp
- Provides the Scout with an opportunity to begin work towards their next rank in Cub Scouting.
- Encourages participation so that Cub Scouts benefit and grow with a positive outdoor experience.
- Assists in the recruiting and inspiration of future Cub Scout Leaders and helps strengthen the den and Pack organization.
- Provides a continuation of the Cub Scout program through the summer and assists the Pack in qualifying for the Summertime Pack Award.

Who is Day Camp For?
Camp is open to children who have completed kindergarten through children going into the fifth grade. Children DO NOT have to be registered Cub Scouts.

Those children finishing Kindergarten will come to Camp as Tiger Cubs and must have an Adult Partner with them at all times. Children who have completed first grade and who were Tiger Cubs during the school year will come to Day Camp as Wolf Cubs. Children that have completed second grade will be in a Bear den. Children that have completed third and fourth grade will be in a Webelos/Arrow of Light den.

The Cubs will not be in mixed rank groups because our program areas are geared to the different rank levels (If our Tiger numbers are low, they may be paired with Wolves but will still complete Tiger requirements during the week). For example, Webelos will be working on more advanced projects and requirements specific to their rank.
Day Camp youth participants are NOT limited to registered Cub Scouts members. **When selecting RANK in the registration form, you should choose the den that the scout will be in for the 2020-2021 school year.**

- Tiger Cubs (entering 1st grade)
- Wolf (entering 2nd grade)
- Bears (entering 3rd grade)
- Webelos (entering the 4th grade)
- Arrow of Light Scouts (entering 5th grade)

**What Will My Child Do at Day Camp?**

Day Camp starts with an opening flag ceremony and announcements each morning and concludes each afternoon with a closing flag ceremony. Day Camp will run from 8:30 am until approximately 4:10 pm each day. The closing flag ceremony begins at 4:00 with sign out immediately following at the flagpole.

Information is provided later in this guide about check-in/check-out procedures and other necessary details.

The daily program contains a well-balanced variety of activities. These include strenuous activities, time for rest, quiet time, times for noise and motion, learning new skills, and making new friends. The exact program will vary from year to year but will most likely include some of the following:

- Aquatics
- Shooting Sports (BB Guns, Archery)
- Games
- Nature
- Wildlife
- Crafts
- Fishing
- STEM
- Scout Skills
- Special Repeater Den Activities
- Skits and Songs
Advancement at Camp
These adventure requirements will be covered at Day Camp 2020. **Please note this does not mean that EVERY one of these adventures will be completed in its entirety. A final list of EXACTLY what requirements are completed will be available online two weeks after camp. Advancement awards are not presented at camp.

Archery and BB
All ranks at day camp will work on their shooting sports rank-level patch and/or pin

Tiger Scout Day Camp Adventures
Tiger Scout Day Camp Adventures - NOTE: if we do not have enough Tigers to fill a den, they will be paired with Wolf Scouts, but we will do our best to fulfill the requirements regardless.

*Schedules are subject to change

Camp Hours
Registration will start at 8:30 am with opening ceremonies at 9:00 am. Closing ceremony will begin at 4:00 pm each day. Sign out takes place after flags at approx 4:10 pm.

Inclement Weather
We hold Day Camp rain or shine. It takes courage to camp in the rain, and a Scout remembers enduring different weather through camp far more vividly than beautiful sunny days. In the event of a weather emergency, the Day Camp Director will institute the Emergency Procedures as found in the Day Camp Staff Manual. The Day Camp Director will blow three long horn blasts to signal an emergency procedure has been implemented. At that time, each den and all staff will listen to their radios for further directions.

Weather is monitored closely throughout the week by Day Camp Administration. In the event of lightning strikes or severe thunderstorms, proceed to Rainy Day locations inside of cabins and other camp buildings.

Day Camp Dens
Day Camp Dens are made up of 8-12 Scouts of the same rank. Please encourage your Scouts to make new friends and include Scouts from other Packs in their games and activities. As you continue in Scouting, you will see these Scouts at other events and continue to build these friendships. Remember a Scout is... Friendly... Kind... Courteous... Helpful...

Repeater Dens
During the summer of 2019, we started a “repeater den.” This gives campers who are attending multiple weeks a chance to do new and different activities while still visiting all of their favorites too! These dens are multi-level, and if we have enough campers, we will have a Tiger/Wolf/Bear Repeater Den and a Webelos/AOL repeater den. Some of last year’s activities include making and racing cardboard boats in STEM, cooking in Scout Skills, free swim in Aquatics, and more! PLEASE NOTE:
Repeater dens are an option, but if a camper would rather stay in their rank specific den because a friend is attending that week or any reason, that is an option as well, but they will be doing some activities they have done before.

**Trading Post:**
Our trading post hours will 8:30-9:00 AM, 4:00-4:30 PM, and during most camp hours. Check in the office.

**Camp Activities**
Camp staff has put in an immense amount of time and effort to provide you and your Scouts an enjoyable experience and worthy activities. Please be supportive and on time at each session. Please be aware that youth and young adults, including Scouts BSA, run sessions. They do not have the life experiences that adults have. Help them keep your scouts in line but allow the youth to run the sessions as it could be a rank advancement requirement for them. Please remember that we all began working on our leadership skills before we became leaders. Do not take over, but instead help them to succeed.

**Who May Attend Cub Scout Day Camp**
Youth aged 6*-10 years old and a parent, guardian, or other responsible older sibling (approved by the Camp Director) may attend. Youth are encouraged to bring a responsible adult who will remain with them throughout the Day Camp experience.

Packs are asked to provide at least one adult for every four registered Cub Scouts or part thereof to meet Youth Protection guidelines. These adults can help for the entire week or trade-off on a day-to-day basis, as long as each day is fully covered. This ensures adequate adult supervision for the dens and aids the Camp Director in providing a great day camp experience for the Cub Scouts. Volunteers who contribute their time for the full week will receive a unique Camp Miakonda Cub Day Camp t-shirt, patch, and lunch each day.

*Tiger aged youth (youth who have completed Kindergarten during the 2019-2020 school year) MUST be accompanied by an adult partner as the Tiger program is based on a Tiger-Adult Partner team. An Adult Partner must be 18 years of age and can be a parent, older sibling, relative, or family friend.

**Day Camp helps your pack by:**
- Promoting year-round Cub Scout program
- Providing the opportunity to complete elective Adventure requirements at every rank
- Encouraging Cub Scouts to benefit and grow with a good outdoor experience

The daily program centers on Tiger, Cub Scout, and Webelos elective adventure requirements as they relate to the outdoor program. Your Cub Scouts will work on activities that are challenging and age-appropriate. There are wide ranges of activities, which will include:

- Shooting Sports (BB Guns and Archery)
- Games
- Scout Skills
- Nature
- STEM
- Aquatics
- Handicrafts
- Skits and Songs
**How to Register**

An Immunization Exemption Request Form must be submitted with their BSA Annual Health and Medical Record for any participant who is not immunized. The form can be downloaded from [http://www.scouting.org/filestore/pdf/25-02.pdf](http://www.scouting.org/filestore/pdf/25-02.pdf)

**Arrival Procedures**

When you arrive on your first day of Camp, your Scout will be assigned a den number. Camp Staff will meet you in the parking lot to tell you which Den to check in with. A parent, legal guardian, and/or responsible adult is required to sign in Scout(s) with their Den Chief before leaving. If you have not turned in your health forms, you will need to stand in line to do so; we apologize; this takes a bit of time, but you can turn them in at the Iott Scout Shop until the week before your child’s camp week.

In the event that it is raining when you arrive, you will need to escort your Scout to their assigned rainy day cabin, which will be given to you as you cross the bridge into camp. Please be aware that this may result in extra walking on unpaved, dirt, grass, or gravel surfaces to reach their assigned cabin.

Additional information will be emailed and/or mailed to all registered participants two weeks prior to their chosen session.

**Dismissal Procedures**

After our flag ceremony, you must sign your Scout out at the flag pole area on the parade field. Please be respectful of our flag ceremony. You MUST sign your Scout out before you can leave Camp Miakonda property.

In the event that it’s raining at the time you are picking your Scout up from Camp, you will need to pick them up at their assigned rainy day cabin. Please be aware that this may result in extra walking on unpaved, dirt, grass, or gravel surfaces to reach their assigned cabin.

Additional information will be emailed and/or mailed to all registered participants two weeks prior to their chosen session.
Leaving Early
If a Scout needs to leave camp early, a parent will need to sign them out at the camp office or with the Day Camp Director. Please allow extra time for your camper to make their way to the office for pickup.

Thursday Night is Family Night
When you sign-out your Cub Scout Thursday at 4:00 PM, stay awhile and enjoy camp together!

The whole family is invited to experience Camp Miakonda Thursday night! After you sign your child out, they can lead you around camp and show off the new skills they’ve been learning. Our BB Range, Archery Range, Fishing Dock, Nature Center, Trading Post, and the oldest Scout Museum in the country will all be open for you to experience as a family!

A complimentary hot dog and chips will be served around 5:00 PM, or you are free to bring your own picnic. A campfire program begins at 6:00 PM, where your Cub Scout will perform a song or skit they have rehearsed with their Den. Family night is one of the best parts of Cub Scout Day Camp; you don’t want to miss it!

Family Night Schedule*

*Subject to change
**Pool Information**

**Changing for Swimming**

Your Scout may wear their bathing suit to camp so that they only have to remove their t-shirt or outer clothing when it is time for water activities. This will enable the Scout to get into the pool or water activity quicker, not have to worry about changing clothes or losing clothing items, and the wet bathing suit will help keep them cool after the water activity.

All Campers will enter the pool no matter which ability level (Swimmer, Beginner, or non-swimmer). The ability levels dictate which areas of the pool they may be in.

**Swim test**

The BSA swim test is used to determine ability level so that participants can swim in an area, which is appropriate for them. Scouts and adults must pass the BSA swim test to take part in aquatics activities. At camp, there is always a buddy board where you check in according to your ability level.

**Prepare For The Check.** Familiarize your Scouts with the process. Explain the purpose of the swim check, how it will be conducted, and that each Scout's ability will be different. Better swimmers are expected to encourage and support those with lesser abilities.

**BSA Swim Test Details**

**Swimmer**

- Jump feet first into water over the head, level off and begin swimming.
- Swim 75 yards in a strong manner using one or more of the following strokes: side, breast, trudgen, or crawl. Swim 25 yards using an easy, resting backstroke.
- The 100 yards must be completed without stops and must include at least one sharp turn.
- Rest by floating...Long enough to demonstrate the ability to rest when exhausted.

**Beginner**

- Jump feet first into water over the head, level off, and begin swimming.
- Swim 25 feet on the surface.
- Stop, turn, and resume swimming back to the starting place.

**Non-Swimmer**

- Did not complete either of the swimming tests.
Medication
If your child requires medication during camp hours, it will have to be administered by our camp medical officer. All medication must be given to the camp medical officer at the beginning of the day during check-in. Medications must be provided in their original prescription packaging and should be clearly labeled with the Scout’s name and den number if possible.

The medical officer will communicate to your Scout’s Den Chief when medication must be given. This ensures that at least two staff members know when medication must be given. At the time of medication, the medical officer will either bring the medicine to your child OR will ask the Den Chief to send your child with a buddy to the medical office.

If medication does not have an assigned time, such as Tylenol, it is still required to be with the medical officer at all times. If your child needs a medication like Tylenol, they can tell their Den Chief when they need it, and the Den Chief will notify the medical officer that medication is needed. All medications are kept in a safe lockbox that is with our medical officer at all times to ensure the safety of all campers and camp participants.

Exceptions to this are for those individuals who need to carry emergency medication at all times, such as asthma inhalers, Epi-Pens or similar prescribed bee sting kits, Diabetes kits, nitroglycerin tablets, etc.

Special Needs
Please contact your Day Camp Director in advance if you have special needs. (CMCampDirector@erieshores.org) The Boy Scouts of America promotes the inclusion of youth with disabilities and/or special needs. We recognize that each child is unique and that one plan will not work for every Scout. We will work together to provide an enjoyable Day Camp experience for your Scout.

By letting your Day Camp Director know ahead of time what your Scout needs, you are giving the management team time to plan a Day Camp experience that matches your Scout’s needs!

Food Service
Camp Fees now include lunch!

Menu
Camp fees include food service at Camp Miakonda. Lunches will be served at the Ford Center. If your Cub Scout(s) have special dietary needs or food allergies, please indicate those when you register. The menu is subject to change, but will always be kid-friendly and healthy. If your Scout’s dietary restrictions mean it is easier for you to pack their lunch, please make a note of that on your registration sheet. However, the camp fee will not be adjusted due to dietary restrictions as we buy food ahead of time.

The Camp Office is located in Memorial Cabin (located on the Parade field, at the opposite end from the flags), and is the center of communications for emergencies. It is staffed at all times during the event. Key camp officials carry Camp Miakonda radios and are in radio contact with the Camp Office. To notify the Camp Office of an emergency, send a runner to the Camp Office, the Ford Center, or notify a camp official that is carrying a Camp Miakonda radio.

When calling 911 for an emergency, it is important that an adult clearly describes the nature of the emergency to the 911 operator to initiate an appropriate response. The Camp Office must be notified of the emergency to open the locked vehicle gate on Sylvania Avenue for the emergency vehicles to enter. Additionally, the 911 operator will call back to the Camp Office to verify the nature of the emergency. The Camp Office can be notified by sending a runner to the Camp Office, to the Ford Center, or by contacting a Camp Official that is carrying a Camp Miakonda radio.

The Camp Office monitors the National Weather Service Radio and Internet weather sources for information concerning severe weather conditions.
Lost Scout
Camp Miakonda Cub Scout Day Camp operates under the Buddy System like every other BSA activity. Scouts must have a buddy with them at all times, including trips to the bathroom, going to the trading post, during water activities, etc. This is the first step to ensuring that we do not have any “Lost Scouts.” If the staff does not know where a scout is, emergency procedures are implemented. These procedures disrupt the normal routine of camp and interrupt everyone’s enjoyment of camp.

Lost Scout Emergency Procedure:

- Den Chiefs report to the Camp Director that there is a missing camper, including name and description of what the Scout looks like and is wearing that day.
- The Camp Director will contact other Staff members by radio to see if the missing camper can be located near their program areas.
- If the Scout is still not located, the Camp Director will start the Lost Scout Protocol.
- At this time, Den Chiefs will take a count of their campers and to the office to report that everyone is accounted for. They will not move from their location until the all-clear has been called.
- Program areas will search their assigned areas and report back
- If the Scout is not found within 15 minutes, the Camp Ranger will be notified, and the alarm sounded
- If the Scout is not located within 30 minutes, local authorities, the Erie Shores Council Office and the Scout’s parents will be contacted.

First Aid
If First Aid is required for a serious emergency, dial 911, and notify the Camp Office. Trained first-aid responders will be on-site during Day Camp; the Camp Office will notify them of the emergency. Automated External Defibrillators (AED’s) are located in the Camp Office and the Ford Center. First Aid is available at the Camp Office, 24hrs/day. All injuries must be reported to the Camp Office.

Fire
Evacuate the cabin, building, tent, or area immediately. All camp buildings are equipped with fire extinguishers for use on small fires by qualified adults. Analyze the situation, and if appropriate, utilize the fire extinguisher or call 911. Notify the Camp Office.

Severe Thunderstorm
In the event of a severe thunderstorm, seek shelter inside a camp building. The Council Lodge and Ford Center are the preferred shelters. Cabins and Restrooms are also suitable shelters.

Tornado
The preferred tornado shelters are in the low areas in camp; the best low area is the ravine located between the Ford Center and the Parade Field.

Missing Person/Unauthorized Person
Report potentially unauthorized persons to the Camp Office immediately.
Miakonda Code of Conduct

Recognizing that good conduct while at camp is necessary for a safe and enjoyable event, all participants must follow the Code of Conduct while at Camp Miakonda.

4. No gambling of any form is permitted.
5. Participants must check-in and out at the Camp Office if they leave camp at any time during the event. The Camp Office is staffed at all times while camp is in session if you need assistance.

   b. COPE Course
   c. Ranger’s House
   d. Pool Area (unless during assigned program time)

   i. Parking lot without an Adult
   j. Ravines
   k. Trees – no climbing allowed
   l. Construction areas
7. Please refer to the “Miakonda Vehicle Guideline” policy regarding vehicles in camp.
8. All injuries are to be reported to the Camp Office, where first aid is available. In the event of serious injury, call 911 and notify the camp office immediately. If emergency vehicles are needed, camp staff will open the vehicle gate and direct the vehicle into camp. Automated External Defibrillators (AED) are located at the Camp Office and Ford Center.
9. Cabins are expected to be free of refuse and swept before leaving. Any damage, theft, or vandalism must be reported to the Camp Office. All small mattresses must remain on the top bunk. Report any damaged mattresses.
10. The emergency bell on the parade field is strictly for emergency use (Lost Scout, Severe Weather, etc.), and is to be rung only by Camp Staff. In the event the bell is rung, report immediately to the flags on the Parade Field for further instruction.

Youth Protection

To address the problem of potential child abuse within the program, the BSA has established procedures; however, the following list is not inclusive. All leaders must have Youth Protection training certification within the last 24 months of being in camp. It is good to use this course as a refresher, even if currently trained.

- **No One-On-One Contact** - This should not occur between a youth member and an adult; all counseling should be done in plain sight and with the knowledge of at least one additional adult.
- **Child Abuse Recognition** - Leaders are encouraged to refer to the BSA website for information on protecting Scouts by being aware of common signs of child abuse. [http://www.Scouting.org/HealthandSafety/GSS/gss01.aspx](http://www.Scouting.org/HealthandSafety/GSS/gss01.aspx)
- **Reporting at Camp** - anyone noticing anything questionable should report it immediately to the Camp Director or another member of the management team if the Camp Director is not available.
- **Hazing** - Initiation or hazing in any form is not permitted.
- **Showers** - At the pool, we have separate shower facilities for youth (under 18) and adults (over 18); if an adult must enter the youth shower due to an emergency, try to do so with another adult.
- **Sleeping Arrangement** - No youth will stay in the tent of an adult other than their parent or guardian. It is recommended that youth, if 2 or more years difference in age, not share a tent.
- **Digital Imaging** - Devices with the ability to do digital imaging are NOT allowed in shower houses, pool showers, restrooms, etc. Any equipment in these areas will be confiscated.
Leave No Trace

Please review with your Pack the Leave No Trace Front Country Guidelines prior to day camp. For more detailed information, please visit www.lnt.org/teach/outdoor-ethics-frontcountry

Plan Ahead.
Watch for hazards and follow all the rules of the park or outdoor facility. Remember proper clothing, sunscreen, hats, first aid kits, and plenty of drinking water. Use the buddy system. Make sure your Scout knows your family's name, phone number, and address.

Stick to Trails.
Stay on marked trails whenever possible. Short-cutting trails causes the soil to wear away or to be packed, which eventually kills trees and other vegetation. Trampled wildflowers and vegetation take years to recover. Stick to trails!

Leave What You Find.
When visiting any outdoor area, try to leave it the same as you find it. The less impact we each make, the longer we will enjoy what we have. Even picking flowers denies others the opportunity to see them and reduces seeds, which means fewer plants next year.
Use established restrooms. Graffiti and vandalism have no place anywhere, and they spoil the experience for others. Leave your mark by doing an approved conservation project.

Respect Other Visitors.
Expect to meet other visitors. Be courteous and make room for others. Pass with care and let others know before you pass. Avoid disturbing others by making noise or playing loud music. Respect "No Trespassing" signs. If property boundaries are unclear, do not enter the area.

Trash Your Trash.
Make sure all trash is put in a bag or trash receptacle. Trash is unsightly and ruins everyone's outdoor experience. Your trash can kill wildlife. Even materials, such as orange peels, apple cores, and food scraps, take years to break down and may attract unwanted pests that could become a problem.
