COMMISSIONER'S CORNER

Alan Bernard
Council Commissioner,
Erie Shores Council

I am **Alan Bernard**, the new **Council Commissioner** for Erie Shores Council. I am married to Joan (31 years), a native of Kentucky, and have lived in Sylvania for 20 years. Our son Ross is an Eagle Scout, so we understand the tribulations and joy of that journey. As a University of Kentucky Alumni, please don't call during basketball games. 😊

My youth Scouting experience included the 1977 Jamboree, Exploring, and finishing as a Star Scout. I was a Cubmaster in Lexington, before moving to Sylvania. My son crossed over to Troop 154, and I started helping at Northwest District events, as well as Order of the Arrow Tindeuchen Lodge activities. I have been a member of several Council Committees and have been lucky enough to get to Philmont twice with my son.

Having served as one of Tim Myer's Assistant Council Commissioners, I want to thank Tim for his work over the years. Tim will move on to the Area 6 Commissioner position, which means he will still be helping Erie Shores.

As Council Commissioner, I support the volunteer Scouters. The health of the unit is paramount, and the teams of District, Roundtable, and Unit Commissioners are ready to provide the assistance and advice for your unit to succeed. Please do not hesitate to use us as resources, we exist to help your unit succeed in providing the best experience for your Cubs, Scouts, Venturers, Explorers, and Scouters.

I am thankful for the confidence that Jim Wilson and Ed Caldwell have provided, the support that Brandon Holt, my professional advisor has given me, and I look forward to meeting you as we grow Scouting in northwest Ohio.

I will do my best to help.

Yours in Scouting,

Alan Bernard

SCOUTREACH DISTRICT

The new year comes with exciting changes for the Scoutreach program. We have started a new internship program and added four new faces: **Emily Latham, Kaitlyn Graver**, and **Cevanah McCoury** from Bowling Green State University and **Justin McGill** from Lourdes University. We have assembled a great team of program leads and are excited to have them as part of our organization and to watch them grow.

This year, the Scoutreach program created a new curriculum that will focus on building leadership, teamwork, and social and emotional growth. A new in-school program is being introduced alongside our lunchtime and afterschool programs. A passport system will be implemented for our after-school partners where youth can use the passports to gain access to the end of the year outdoor experience. This is a great opportunity for central city youth to experience the outdoors.

Scoutreach has partnered with local schools and community centers to create and improve Cub Scout packs within the district. We are proud to partner with these organizations to provide more opportunities for Scouting: **After School All Stars** (with locations at Birmingham, Walbridge, and Hawkins), **Fredrick Douglas Community Association, LMHA, Escuela Smart, MLK Academy for Boys**, and **Sunbridge Schools**.

We are excited with our new program changes and look forward to a great year for the Scoutreach District.

BSA Safety Moment: Campfire Safety

Who doesn't love a glowing campfire at the end of the day? However, to make sure it won't be your tent that burns, let's look at some good fire safety practices.

- **NO FLAMES INTENTS!** – No candle lanterns, citronella coils, or anything else that is ignited by a flame.
- **No Infrared Heaters** – The type commonly used at worksites by construction crews—should also never be placed inside a tent.
- **Fire Starting Supplies** – Matches, lighters, and items used as fire starters such as shredded paper or paraffin wax and sawdust should be stored outside of your tents in a secure box or bag.
- **Camp Stoves** – Camp stoves typically have two or more burners and use propane, butane, or white gas as fuel. Stoves should be set up at least 3 feet away from a dining fly.

More information on campfire safety and additional safety moments on a range of topics can be found here: www.scouting.org/health-and-safety/safety-moments

Something Good is Brewing in Erie Shores Council!

The **Spring Coffee Sale** will run from **April 1-30** to provide an opportunity for Scouts to earn money for their Scouting program. This year's coffee sale will offer ground coffee and K-cups, along with cocoa and tea options.

Everyone loves coffee and this sale has the potential for great success. The commission returned to the unit will be 30% and a portion of the proceeds will support Erie Shores Council and camp operations. Scouts will be eligible for prizes and rewards.

Special thanks to **Gaye Wilson, volunteer Coffee Coach** (dgwilson9373@gmail.com). More details at www.erieshorescouncil.org/coffee.

MUSEUM FUN FACT

By Dave Eby, Council Historian

Famous Erie Shores Council Boy Scout

World renowned scientist Lyman Spitzer Jr. was a Boy Scout from Toledo who once gazed upon the stars while camping at Camp Miakonda.

He proposed the idea of placing a large telescope in space in 1946 and was the driving force behind the Hubble Space Telescope. On August 25, 2003, NASA launched a new space telescope and named it the Spitzer Space Telescope, to honor the vision and contributions of Lyman Spitzer Jr.

Lyman's father, Lyman Spitzer Sr., was the Council President in 1917 when Camp Miakonda was purchased. Lyman's 1920's merit badge sash is on display at the museum.
