# COMMISSIONER'S CORNER

Tim Myers  
Council Commissioner

Fellow Scouters:

It's hard to believe that I have been your council commissioner for the past five years! What a privilege and honor it has been to work with such wonderful, talented and dedicated professionals and volunteers.

As my Scouting journey continues, I will be stepping down from my role as the Council Commissioner in January 2020 and I have accepted a new role as an assistant to the Area 6 Commissioner. I will, however, continue to serve Erie Shores Council in various capacities; as a member of the properties committee, National Camp Accreditation Program (NCAP) staff, doing repairs at the camps, and other opportunities that are presented.

In 2015 when I first started this role, I mentioned that my favorite part of being a commissioner is to help units meet their goals to ensure a unit's success. Although my new role will be working more as an overseer to the Commissioner staff, I truly believe that a successful unit is at the heart of keeping youth involved in Scouting. This in turn will assist them in becoming well rounded, responsible adults.

I want to thank all of you for helping me along the way, giving me inspiration, encouragement, advice, and guidance. I couldn't have done it without your support.

Remember, please don't be a stranger. If you have any questions or concerns, I will be happy to help.

## BSA Safety Moment: Frostbite

**S**erious injuries can occur when it's cold and you spend time working, playing, or sleeping outside, particularly if you are wet or your clothes are wet or too tight. Scouts should be instructed to inform an adult as soon as possible if they are at an event, winter camp, or troop campout and start experiencing any of the symptoms in this Safety Moment.

### Identification

- First-degree frost nip (superficial)— Wounds will look like a central white area surrounded by pink skin, followed by mild swelling.
- Second-degree frostbite (superficial)— Signs are pink and moist tissue present beneath clear blisters, surrounded by redness and swelling.
- Third- or fourth-degree frostbite (deep)— Skin feels frozen and hard and appears red, purple, or even black.

### Prevention and Treatment

- Be prepared: Pack warm clothes and change them frequently, or as needed.
- Act quickly: The first line of treatment is wearing appropriate clothing, finding shelter to get out of the elements, and eating to aid in elevating body temperature.
- Prevention is key: Layering clothing will help prevent frostbite, while removing layers can help prevent excess sweating.
- Get help: If anyone experiences or displays any symptoms of frostbite, go to the nearest health-care facility immediately.

More information on frostbite and additional safety moments on a range of topics can be found here: [www.scouting.org/health-and-safety/safety-moments](http://www.scouting.org/health-and-safety/safety-moments)

Happy New Year! Many thanks to all the units for their work this past year for recruiting new youth into Scouting. Now, let's make sure we have a strong program to keep these new Scout families involved and interested in Scouting.

**Rechartering** – Just a reminder! All January charters are due to Karen, Council Registrar, at the Jadel Leadership Center Council office by **Tuesday, January 15, 2020.**

Completed Charter paperwork includes:

- Current Youth Protection Training for all registered adults
- Signed Background Check Authorization for all registered adults
- Correct signatures on the cover page of Charter
- Registration fees are paid

Registration Fees: (Does not include unit fees)

- **\$60** for youth members in Cub Scouts, Scouts BSA, and Venturing

If you need help, call **Karen Krieger** at 419-843-0106 or **Karen.Krieger@Scouting.org**.

### Arrow of Light to Scout Transition

To provide a seamless transition, Arrow of Light Scouts and their parents should visit area troops to see which troop is the best fit for the Scout and family to join. Troops should contact packs to invite the Arrow of Light Scouts to visit.

Crossovers should be completed by March, so Scouts and their parents have time to prepare for summer camp, the highlight of the Scouting year.

## Scouting Youth Honors Banquet

The annual **Scouting Youth Honors Banquet** will be held **Saturday, March 14**, at Grace United Methodist Church, Perrysburg to celebrate the achievements of our Scouts from Erie Shores Council who have achieved the rank of Eagle Scout, along with other awards of significance. Through your efforts, Scouts in Erie Shores Council will be participating in many great Scouting activities with money that was earned selling popcorn!

### Feedback is a gift...
