

BOY SCOUTS OF AMERICA®

ERIE SHORES COUNCIL

Hello Erie Shores Council Leaders!

Welcome to another edition of Membership Monday!

Happy Earth Day!

Celebrate this week by doing a good turn in your neighborhood! For more ideas, check out these below (courtesy of Bryan On Scouting).

1. **Bring some trivia** to your next meeting, like “[Environmental Jeopardy](#)”, which mixes learning with friendly competition.
2. **Have fun with Cub Scouts** with these [Earth Day craft ideas](#).
3. **Volunteer** with [Partners for Clean Streams](#) or the [Nature Conservancy](#).
4. **Teach your Scouts** how to: [safely recycle electronics](#), [create a compost pile](#), or identify recycled-content products.
5. **Offer Sustainability merit badge**. There’s no better time than Earth Day to offer this Eagle-required merit badge. [See the requirements here](#).

Is your pack planning to earn the Summertime Pack Award?

Even though the school year is over you don't have to take a break from Cub Scouts. You can keep the fun going by earning the [Summertime Pack Award](#). Summer is a great time to get outdoors! By earning the Summertime pack award you are keeping Scouts and their families engaged and having fun. Not to mention packs that participate in summertime activities have greater retention!

To earn this award, you only need to hold one activity per month in June, July and August and you will earn a streamer for you pack flag, as well as a certificate. Youth and adults that participate in all 3 events can also earn a pin to be worn on their uniform.

The list of activities is endless but here are some great suggestions to get started:

- Family Picnic
- Mud Hens Cub Scout Experience
- Toledo Zoo overnight
- Rain Gutter Regatta
- Bike Rodeo
- Fishing Derby
- Family Hike

Camp Miakonda Day Camp

Keep your Scouts active in Scouting during the Summer with Camp Miakonda Day Camp!

Not only will your Scouts have the ability to work on requirements for their adventures, they can have a ton of fun in the process! Camp Miakonda will be hosting four weeks of Day Camp and two weekend overnight camping experiences (Tiger and Webelos) this Summer. They will have the opportunity go Fishing, shoot BB's and Archery, participate in STEM activities, learn about Nature and Wildlife, and much much more!
