

BOY SCOUTS OF AMERICA®

ERIE SHORES COUNCIL

Hello Erie Shores Council Leaders!

Welcome to another edition of Membership Monday!

New Scout Family Fun Day - [This weekend!](#)

One thing that is important to us is Delivering The Promise of Scouting soon after a new family joins the program. That is why we love ***New Scout Family Fun Day!***

On Saturday, September 29th from 10 am – 2 pm, new families can come to this FREE event and see what Camp Miakonda is all about. We are inviting them to get ***Hooked on Scouting!*** There will be many activities including fishing, archery, and bb guns, and some fun games. We are offering a free lunch to all who attend! In return, we ask that families pre-register for this event so we have an accurate head count.

Additionally, we have decided to invite current registered Scouts to attend and they will get free admission if they bring a friend who would like to be a Scout! Please spread the word within your unit, as we use this as another opportunity for recruitment. Everyone attending should still plan to RSVP ahead of time, including already registered scouts.

If you have new families in your scouting unit, please urge them to RSVP to attend using this link:

Service is Marketing

Boy Scouts of America is one of the leading organizations that is known for

- Scouting for food tags. There is space on the Scouting for Food tags that are provided by the council to place an address or even shipping labels. Always include your contact information and title, and an upcoming event that the family can attend to learn more.
- Scouting for food boxes. Packs and Troops that participate in Scouting for Food can create and leave donation boxes, with proper advance approval at various locations (i.e. schools, churches, businesses, etc). The box doesn't have to be large, but you can post stickers and flyers on the box sharing the active benefits of Scouting, and an event they can attend.

Popcorn Recruiting

Popcorn season is here and it can serve as a fundraiser as well as recruitment opportunity. Units that participate in show and sells can purchase one or two containers of popcorn and use this as a recruitment opportunity. Take the popcorn, divide it among several sandwich bags, and secure the top. Be sure to know which popcorn is which to ensure those with dietary restrictions have options too. Once the popcorn is secured in the individual sandwich bags, place address labels on each one. You can include one or more of these sentences and include your unit number and contact information.

"Popcorn is Fun! Scouting is Fun, call our pack for details!"

Below is a goal thermometer of Scouts that are completely registered across the Council. We have more applications to enter and this thermometer will keep climbing!
