

COVID-19 Pre-Event Medical Screening Checklist

This checklist is to assist in identifying potential COVID-19 cases before every event or meeting participation. Each youth and adult participant must evaluate her / his current health status, both before departure and upon arrival at the event. **Anyone entering a camp or event – including visitors, vendors, etc. – must be screened.**

- Yes** **No** Have you or has anyone in your household been in close contact* in the past 14 days with anyone known or suspected to have COVID-19 or is otherwise sick?
- Yes** **No** Have you or has anyone in your household been in close contact* with anyone who has been tested for COVID-19 and is waiting for results?
- Yes** **No** Have you or has anyone in your household been sick in the past 14 days, or have you or they been tested for any illness and are waiting for results?
- Yes** **No** Has anyone in your household been exposed to an individual known or suspected to have COVID-19 in the past 14 days?
- Yes** **No** Have you or has anyone you have been in close contact* or traveled on a cruise ship or internationally or to an area with a known communicable disease outbreak in the past 14 days?

***According to the Centers for Disease Control and Prevention (CDC), “close contact” means:**

- You were within 6 feet of someone who has COVID-19 for a cumulative total of 15 minutes or more over a 24-hour period
- You had direct physical contact with an infected person (hugged or kissed them)
- You shared eating or drinking utensils
- An infected person sneezed, coughed, or otherwise got respiratory droplets on you

If the answer is YES to any one of the five questions above, the participant must stay home. If all answers above are NO, proceed to the symptoms list below.

Symptoms of COVID-19

*If you or anyone in your household has **any one** of the following new or worsening signs or symptoms of possible COVID-19, **the entire household must stay home.***

- | | | |
|---|---|---|
| <input type="checkbox"/> Shortness of breath | <input type="checkbox"/> Repeated shaking with chills | <input type="checkbox"/> Sore throat |
| <input type="checkbox"/> Cough | <input type="checkbox"/> Fatigue | <input type="checkbox"/> Loss of taste or smell |
| <input type="checkbox"/> Fever of 100.0° or greater | <input type="checkbox"/> Muscle or body aches | <input type="checkbox"/> Diarrhea |
| <input type="checkbox"/> Flu-like symptoms | <input type="checkbox"/> Headache | <input type="checkbox"/> Nausea or vomiting |

****Potential Higher-Risk Individuals****

- Yes No Are you in a higher-risk category as defined by the CDC guidelines, including older adults, people with medical conditions, and those with other individual circumstances?

If the answer is “yes,” we recommend that you stay home. Should you choose to participate, you attest you fully understand the risks and guidelines, and take responsibility for your decision.
