# Tiger Overnight

Our Tiger Overnight is an action packed camping experience for a Cub Scout and their Parent/Partner. It is the perfect introductory camping program for “new” or inexperienced campers. All you have to do is show up with basic camping gear. All meals and program are provided for you. You may choose between tent or cabin camping (limited space) - whatever you are most comfortable with. The minimum adult to youth ratio for this program is one adult per family in attendance.
