## **Erie Shores Council, BSA - Actions Regarding COVID-19**

Erie Shores Council Scouting Family and Friends,

Erie Shores Council leadership recognizes the continuing public health concerns in our area and across the nation. We would like to remind all Scouters of the importance to remain vigilant as the Delta variant of COVID-19 continues community spread.

Unit leaders should remind parents that Scouts exhibiting any symptoms should refrain from participation in events until they feel well. Leaders of our Packs, Troops, Crews, and Posts should consult their chartering organizations for additional information which will be helpful when having events.

Medical professionals in our local counties as well as with the Center for Disease Control and Prevention (CDC) have issued recommendations for all persons (both unvaccinated and vaccinated against Covid-19) to wear masks while indoors, at large group gatherings, and when not able to social distance outdoors.

We recommend that units take this guidance into consideration when engaging in all Scout meetings, outings, and campouts – doing your best to remain safe while active in Scouting.

We all share in the obligation to provide a safe program to our Scouts and Scouters. We will continue to offer the program with minimal impact by remaining vigilant and practicing prevention.

Events at Camp Miakonda and Pioneer Scout Reservation should follow the helpful infographics found at this website: [www.erieshorescouncil.org/COVID-19](http://www.erieshorescouncil.org/COVID-19).

Be Prepared,

**Shawn K. Chowdhary**  
Council Board President
