Why Be a Trained Leader...

I recently attended a local training event where the importance of being a trained leader was discussed. One of the training team told us of a discussion she had with her youngest son recently...

This leader was having a particularly rough week and her son asked what was wrong. She responded that she was becoming frustrated with leaders complaining their time was limited and they did not have the time to attend all the required training. Her son responded, "Why Mom...am I not worth the time?"

This is why you should be a trained leader...Make your scouts feel that they are worth it!

How Do I Request On-Location Training?

1. Choose 2-3 Dates that would work for you Unit...Minimum of 3 Participants.
2. Contact your District Training Chair or Council Training Committee and request the desired training(s). Your Unit must also be able to provide an adequate location to host the training(s)
3. Wait for response from requestee. Please be patient as it may take some time to line-up available instructor(s).
