ERIE SHORES COUNCIL #460

BOY SCOUTS OF AMERICA®

Erie Shores Council is pleased to congratulate the 33 participants and 22 staff members for successfully completing Wood Badge Course, C6-460-15, this past August and September at Pioneer Scout Reservation. These dedicated leaders representing all Scouting programs completed the practical requirements of the advanced leadership training program. Now each of these leaders is working to realize their vision in Scouting by “working their Ticket.” A Wood Badger works their Ticket by completing five significant goals related to their specific Scouting position. Once their Ticket is complete, they are awarded the Wood Badge Beads, Woggle, and Neckerchief. Started in 1919 By Lord Robert Baden Powell, Wood Badge is about leadership. Participants experience all levels of Scouting from the eyes of a youth while

also learning, developing and practicing leadership methods and skills. It is an opportunity to play the “Game of Scouting” and deepen one’s understanding of the rich history and heritage of Scouting. Shared experiences with the participants and staff result in life long friendships and relationships.

Congratulations participants of C6-460-15! We look forward to seeing you “Deliver the Promise!” Make sure you reserve **March 19, 2016** to attend the **Annual Erie Shores Council Wood Badge Association Breakfast**. This annual gathering of Wood Badgers and Scouting Leaders is a grand reunion of friends sharing great fellowship and Scout Spirit. This event is open to all Scouting Leaders for all Scouting Programs including Cub Scouting, Boy Scouting and Venturing. More details will be shared soon on how you can register for the event.

For more information about Wood Badge, contact Matthew Reineck at [Matthew.Reineck@scouting.org](mailto:Matthew.Reineck@scouting.org)

3. Submit your Unit’s 2016-2017 Program Plan to Jennifer Medley, Program Secretary

The holidays are just around the corner! As we take time out of our busy schedule to spend it with our friends and family, before time slips away and we get wrapped up with the holiday bustle, please keep in mind that your Scouting unit charter needs to be renewed. Nearly all the Packs, Troops, Crews and Posts in Erie Shores Council recharter in the month of January. Only units whose charter is not completed by January 31st will be dropped. The two-month grace period no longer exists. We strongly encourage units to complete your charters no later than **January 15, 2016** (they must be reviewed by Karen before transmission to National). Your charter is complete if:

- All recharter paperwork is turned into Karen completed, with no mistakes, including proper signatures.
- All Scouts and unit leaders' registration fees are paid with the charter.
- All registered adult leaders on the charter have taken Youth Protection Training (YPT) and it has been documented with Karen, either electronically or by hard copy.

To help you recharter on time, the electronic recharter system will be available **November 1, 2015** (a month earlier for your convenience). Whether your charter is turned in during November, or January, the recharter fees are the same. If you are waiting on popcorn money, holiday fundraising money, or additional registration money, please submit your charter to Karen for review prior to **January 15, 2016**. Please do not hesitate to contact Karen by email at [Karen.Krieger@scouting.org](mailto:Karen.Krieger@scouting.org), your District Executive or myself.

I wish you all a peaceful and joyous holiday season. Remember please don't be a stranger. If you have any questions or concerns I will be happy to help.

Yours in Scouting,

Tim Myers  
Council Commissioner

## Camp Miakonda

*"Wonderful Memories"... "Rich Tradition"... "Legendary Camp"...*

...phrases used every day to describe both Camp Miakonda and Pioneer Scout Reservation. In addition to reminding us that we have camp treasures second to none, such phrases also remind us that many of the structures in our camps are not new.

Time takes its toll; at some point all of our older structures require repair or replacement. To that end, the ESC Properties Committee and the ESC Risk Management Committee regularly inspect every structure in both of our camps. Engineers recently inspected the Campfire Arena at Camp Miakonda. The engineers found that time and Mother Nature have worn away at the columns and beams that support the stage to the point that prudence requires that we cease using the Campfire Arena. To that end, the Campfire Arena is now cordoned off and signs have been posted advising that the area is no longer available for use.

The ESC Properties Committee recognizes the importance of a Campfire Arena which can support the wide range of activities which take place in Camp Miakonda, including supporting the ceremonies and festivities planned for the **Camp Miakonda 100th Anniversary Celebration** in 2017. The ESC Properties Committee is considering every option as it seeks to determine the best approach to a new Campfire Arena. The Properties Committee welcomes your ideas and suggestions. Please forward your thoughts to [erieshores@bsamail.org](mailto:erieshores@bsamail.org). Please put "Properties Committee – Campfire Arena" in the subject line.

We will most certainly keep you informed as to the progress of this project.

# ESC Membership News

Dear Leaders: November is here and membership is down, but strides have been made to be ahead this time from last year. The units which held Join Scouting Nights (JSN's) during September did a great job! Continue to encourage your Scouts to invite a friend or family member to a meeting, or to an additional JSN. Let's end December on a positive note by recruiting more Scouts.

## Scouts Earn a \$20 Gift Card by Recruiting More Scouts

This holiday season, Scouts can earn a \$20 Gift Card for Game Stop or iTunes by recruiting two new Scouts. A Scout can earn more than one card for every two new Scouts recruited. When the leader turns in the applications, the leader will inform Karen which Scout(s) have earned a gift card. On **Monday, December 7, 2015** the cards will be tallied. Help your Scouts recruit by using the "peer-to-peer" cards, hold an additional JSN and invite a non-Scout to a meeting. To obtain more cards and/or for more information, please contact your District Executive.

## Membership Applications

As the holidays are upon us, it is important that all Scouters are properly registered by turning in all membership applications to Karen Krieger, our Registrar, in a timely manner. This ensures

your Scouts are covered with insurance during Scouting events and that they are receiving their Boys Life. Increased membership serves also as a catalyst to receive more grant money to provide quality programs to our Scouts.

## This Membership Study Just Out!

Tufts University recently published a 2½ year study that documented youth who were active in Cub Scouts. The study reported a significant increase in the following traits Cub Scouts vs. non-Scouts where no significant increases were reported.

- Cheerfulness
- Obedience
- Helpfulness
- Trustworthiness
- Kindness
- Hopeful future expectations

When asked what is most important to them, Scouts significantly, more likely than non-Scouts, chose, "Helping others and doing the right thing."

Scout leaders and Scout parents let us make sure we share this information with non-Scouting parents who know little of the Scouting benefits. Help them help their son's through Scouting.

*To all our Scouts and Scouters,  
have a Happy Thanksgiving and  
a Blessed Christmas Season!*

## The Long History of Eagle Bay District

Eagle Bay District was created in November 1993 when Ottawa and Sandusky Districts were combined. The District's full history goes back to 1929. Ottawa and Sandusky counties were once a BSA Council by themselves called the Hayes Area Council and their headquarters was in Fremont. When they joined the then Toledo Council they became a district called the Hayes Area District. The Hayes Area District when it was formed in 1929 also included Wood County. In October of 1925 the counties of Wood, Fulton, Williams, Defiance, Paulding and Henry were added to the Council. Fulton, Williams, Defiance, Paulding and Henry Counties were split off from the Council in 1933 and Wood County remained with the Council. Sandusky County was called the Fremont District in 1935 and was named the Sandusky District from at least 1939 until 1993. Ottawa County was called the Port Clinton District in 1935 and was named the Ottawa District from at least 1939 to 1993. The museum is in the process of organizing large display frames of district event patches from all Council districts past and present. They have many and need many past patches to complete the frames. They have for (Eagle Bay) Spring Camporees: 1994, 1995, 2003, 2007 and 2013. They have for Fall Camporees: 1995. They have for Winter events: 1995, 1996, 2004, 2009, 2010 and 2013. All other Eagle Bay since 1993 through 2015 they need. They also need many Ottawa and Sandusky District patches. If you can help with needed patches please do.
