Camp Miakonda Museum

Museum Display Additions: We just received a BSA Gold Honor Medal from 1966 presented to Toledo Boy Scout Richard L. Zirn. He was just 12 years old when he was involved in an ice rescue. Six children broke through on a pond in Fremont. Richard was on shore when it happened and went out to help. During the rescue attempt, Richard broke through the ice himself and was saved by another person named David T. Nowakowski. Besides the BSA Gold Lifesaving Honor Medal, Richard was also awarded a Carnegie Heroism Bronze Medal and a cash stipend from the Carnegie Heroes Fund of \$500.00 according to newspaper accounts.

Richard's Honor Medal is now on display in the awards display case in the Jadel Leadership Center in the museum room in the lower level. It can be seen on Saturday mornings from 9:00 a.m. – 12 Noon. It is a beautiful and very significant medal to see in person.

COUNCIL COMMISSIONER CORNER

Tim Myers
Council Commissioner

Winter has arrived and so have many fun activities for our Scouts and Scouters. We will all be participating in Camp Alaska and Klondike winter weekends, Blue and Gold ceremonies, Pinewood Derbies, and service projects. I would be happy to have a “fireside chat” with you during any event your unit is participating in. Please e-mail me with the date and time of your event and I will do my best to be there.

Speaking of service projects, don't forget to log in your service hours. Each month the council is awarding a unit from each district a ribbon for the most service hours. In addition, if your district has the most service hours from September 2015 to the end of May 2016 the district will have an ice cream party hosted by the council for your August roundtable.

Just a reminder! All January charters should be completed and received by Karen Krieger (Registrar) no later than **Friday, January 15, 2016**. A completed charter

would include: 1) all registered leaders are current on Youth Protection Training (YPT); 2) the cover page contains all correct signatures; and 3) the registration fees are paid. If you need help, please contact your commissioner, District Professional or Karen. **Charters not in and processed by Friday, January 29 will be dropped on February 1, 2016 per National guidelines.** Those dropped will need to turn in all new paperwork.

I look forward to seeing you at a fireside chat and remember please don't be a stranger. If you have any questions or concerns I will be happy to help.

Yours in Scouting,

Tim Myers
Council Commissioner

Membership

Happy New Year! I would like to thank all the units for their work this past fall in recruiting new youth into Scouting. Let's make sure we have a strong program to keep these new Scout families involved and interested in the Scouting program. Below is the current Council Real Time Membership, to see how the council measures up to last year.

460 Erie Shores Council Membership by Program for December, 2015 as of 12/10/2015 12:35:02 PM

If you have not started, now is the time for Pack leadership to make sure the 2nd year Webelos and their parents visit Troops. It is time for Webelos graduation and crossover. Now is the time for Troops to invite the Packs to a troop event/meeting. Let's make this the best year ever on Webelos crossing over to Boy Scouts. Second year Webelos should be crossed over no later than March, so Webelos and their parents have time to prepare for summer camp, the highlight of the Scouting year.

Rechartering

To Cub Packs, second year Webelos should be rechartered on your pack charter, not dropped, unless they are leaving Scouting. The second year Webelo then fills out a new application with his new troop and there is no additional registration or transfer fee.

2014-2015 Recharter fast fact: Last year's recharter period we lost 1,423 Scouts. That means 1,423 youth left Scouting. Compared to this year's fall recruitment, we are still short (-165) Scouts than where we ended in 2014. Let's make sure we conduct a brief exit interview with all Scouts and Scout families on why they are leaving Scouting. If they are not moving or aging out, we need to know why they are leaving so we can improve our program or correct the reason that they are exiting. Perhaps we can keep 2-3 Scouts per unit from exiting Scouting by talking to them before they leave.

**Have an interest in rifle or shotgun shooting?
If so, the Shooting Sports Committee (SSC) needs your help.**

SSC has been working hard to offer an opportunity to all Scouts a positive experience in the shooting sports, whether it be shotgun, rifle or archery. Continually, summer camps are booked solid with Scouts wanting all three merit badges and we have to turn them away because of lack of space at camp or in the classes. We have a severe shortage of NRA qualified, trained instructors and range safety officers. We need your help and here's how.

The committee is offering BSA-NRA training at the Boy Scout rate this spring, for those who are committed to furthering Scouting and the shooting sports. We will be offering NRA Shotgun and Rifle Instructor courses for merit badge counselors and camp volunteers. Not sure if you want to instruct? We are also offering a Range Safety Officer Training so you can open a range and help the instructor at your next troop event or campout.

Toledo Walleye Hockey

Looking for a Scouting experience that includes a fast-paced, hard-hitting hockey game? Look no further than the Toledo Walleye Scout Nights! Here are the upcoming scout dates:

Friday, January 22, 2016 (7:15 p.m.)

Saturday, February 20, 2016 (7:15 p.m.)

January 22 is our Scout Sleepover! Yes, similar to that of the Toledo Mud Hens, the Toledo Walleye also do their own Scout Sleepover except there is no sleeping on the ice (it would just get a little too cold). You will actually be sleeping above the ice on the third floor Club Level. Our V.I.P. Experience, sponsored by the Toledo Police Department, will be featured at both upcoming games and is sure to be a hit with everyone.

So what is the V.I.P. Experience you may be asking? The V.I.P. (Learn from Volunteers. Talk about Integrity. Experience the Preparation.) Experience is a scout-exclusive opportunity to see Walleye hockey like never before. It includes:

Pre-Game Goal Zone Experience

Join in the excitement and preparation in the Goal Zone where the scouts will have the chance to meet the mascots and high five some of their favorite Walleye players before they hit the ice.

Intermission Interactive Learning Stations

Learn about animals and how they adapt to their environment as volunteers from the Toledo Zoo bring the zoo to a Walleye game!

Some of Toledo's finest from the Toledo Police Department will be on hand to share some valuable safety tips and advice on living with integrity, staying away from drugs and alcohol.

Post-Game Open Skate

Scouts will be joined by several Walleye players as they get the ice to themselves. Skate rentals will be provided to all who need them.

Along with the new V.I.P. Experience, we are also offering a new Scout Bandanna for purchase!

If you have any questions, please feel free to contact Brian Wilson by phone at (419) 720-6535 or email Brian at bwilson@toledowalleye.com.
